SOUTH DEVON RURAL
HOUSING ASSOCIATION LIMITED

Corporate Plan 2020-2025

Going forward together

South Devon Rural Housing Association Limited was established in 1958 as Dartington Housing Association. Evolving over 60 years into a strong, community-based organisation, it has sound working links with local communities and an enviable reputation in South Devon for its quality housing and services.

We see ourselves very much at the heart of our communities, offering a uniquely personal and caring service to our residents. Our role as a 'niche' provider enables us to get involved in housing activities that may not be of interest to others, often in partnership with local authorities.

This Corporate Plan sets out our key themes and objectives for the next five years. Our Board will review and update the plan on an annual basis taking into account changes in government policy and the national and local operating environment.

Our Ethos

We believe that:

- Everyone should be able to live in an affordable home that meets their individual needs
- Homes that meet people's needs give their lives stability and help communities flourish

Our Approach

We are:

- Big enough to make a difference; small enough to care
- Socially responsible – positive, supportive and responsive to our residents
- Proactive in working with partners to find innovative solutions to housing issues
- Using our resources efficiently and effectively

Our Priorities

We aim to:

- Promote delivery of community-led housing projects
- Build and manage affordable homes that meet the needs of local people
- Look after and improve our existing homes
- Support our residents to help them thrive in their homes and communities
- Seek out innovative ways of providing homes

Our Culture

- We are proud to be a small rural housing association with local roots
- We treat each of our residents and staff as individuals
- We are committed to developing and maintaining strong partnerships in our communities
- We value the benefits that collaborative approaches can bring

Our Future Vision... 2020-25
