PRINCIPLES FOR THE RECOVERY OF CAPITAL GRANT

9. Upon notification of the occurrence or discovery of a Relevant Event to which this Determination applies, the Agency may Recover Capital Grant.

10. When a Relevant Event to which this Determination applies occurs on only part of the Property or land on which Capital Grant was paid, the Agency may Recover a

proportionate amount of Capital Grant. The Agency may specify methods of apportionment in accordance with published guidance.

11. To the extent that Recovery events and principles for the purposes of sections 32 and 33 of the Housing and Regeneration Act 2008, sections 27, 53 and 54 of the Housing Act 1996, sections 52 and 53 of the Housing Act 1988, as amended by Section 28(3) of the Housing Act 1996 and Sections 218 and 266, Schedule 11 paragraphs 2 and 4 and Schedule 16 of the Housing Act 2004 (including any specifically determined contractual arrangements in relation to Uplift Amounts) are contained in contractual arrangements for the provision of Capital Grant, those events and principles and contractual arrangements shall have effect or continue to have effect after the date of this Determination save that any reference therein to a determination shall in respect of Capital Grant given after the date of this Determination be interpreted so as to give effect to paragraph 5.

CIRCUMSTANCES IN WHICH REGISTERED PROVIDERS MAY APPLY OR APPROPRIATE CAPITAL GRANT TO SPECIFIED PURPOSES OUTSIDE OF GREATER LONDON

12. Subject to paragraphs 17, 18 and 19 below, Registered Providers may choose between repaying the Capital Grant Recoverable to the Agency, or placing it in a fund, or, in the case of a Registered Provider that is a local authority, separately accounting for the Capital Grant Recoverable.

13. Permissible uses of the Recycled Capital Grant Fund, based on policy priorities for Social Housing, will be published by the Agency, and may be amended from time to time. The permissible uses will include those for which the Agency would make Social Housing Assistance available, unless a specific restriction is stated, and other specified purposes. The Agency may further publish specific permissible uses for receipts generated from land or Property receiving grant through a specific funding programme. The permissible uses are referred to hereafter as “Permissible Purposes.” Receipts generated from land or Property located outside of Greater London which are placed in a Registered Provider's Recycled Capital Grant Fund may only be used for Permissible Purposes in relation to land or Property located outside of Greater London. The Agency's prior written approval is required for any application of sums credited to the Registered Provider's Recycled Capital Grant Fund for any Permissible Purpose that is not a priority use as published by the Agency from time to time. Recycled Capital Grant Fund sums and Uplift Amounts when applied or appropriated by any Registered Provider will be Social Housing Assistance and will be subject to ~~any then~~the current conditions (whether contractual or otherwise) relating to the provision of Social Housing Assistance.

14. The Agency may direct that notional interest accruing on Capital Grant in the Recycled Capital Grant Fund (together with any Uplift Amount and associated interest (calculated in accordance with paragraphs 26 and/or 27) placed in the Recycled Capital Grant Fund) may also be applied or appropriated to Permissible Purposes. The notional interest shall be calculated according to the principles in paragraph 24 below.

15. In circumstances specified by the Agency, a Registered Provider may transfer all

or part of its Recycled Capital Grant Fund to another Registered Provider so that the other Registered Provider may apply or appropriate it to the published Permissible Purposes (subject to the Agency's prior written approval of such application or appropriation). For amounts generated outside of Greater London, Registered Providers may transfer balances to other Registered Providers for Permissible Purposes for reinvestment outside of Greater London only.

16. The Agency may set time limits within which it expects a Registered Provider to apply or appropriate Capital Grant, notional interest or Uplift Amounts and any interest on such Uplift Amounts as appropriate, to these Permissible Purposes. For the avoidance of doubt, a transfer of Recycled Capital Grant Fund to another Registered Provider will not re-set the time limits set by the Agency.

CIRCUMSTANCES IN WHICH REGISTERED PROVIDERS WOULD NORMALLY REPAY CAPITAL GRANT TO THE AGENCY

17. The Agency will normally demand repayment of Capital Grant Recoverable, without the option of placing it in a Recycled Capital Grant Fund, when Recovery arises from any of the Relevant Events (a) to (i) in paragraph 7 above. In relation to (i) of paragraph 7 such Recovery may be deferred with the prior approval of the Agency until the occurrence of any other Relevant Event.

CIRCUMSTANCES IN WHICH THE AGENCY MAY WITHDRAW THE OPTION OF APPLYING OR APPROPRIATING CAPITAL GRANTS THROUGH THE RECYCLED CAPITAL GRANT FUND

18. The Agency will publish, and may amend from time to time, a description of those circumstances in which the option of applying or appropriating Capital Grants through the Recycled Capital Grant Fund, established in paragraph 12 above, will be withdrawn, and repayment made in total or in part. These will relate to: risks to the contents or future contents of a Recycled Capital Grant Fund revealed by the Agency's exercise of its financial supervisory responsibilities or by the Regulator of Social Housing's exercise of its regulatory responsibilities; discovery that the administration or operation of a Recycled Capital Grant Fund, or application of its contents, has been or is in breach of the principles determined here or the requirements specified in related guidance; the breach, or expectation of a breach, of time limits for applying Recycled Capital Grant specified by the Agency; deregistration or other specified changes of status by a Registered Provider, the requirements of the relevant funding programme require repayment of Capital Grant; and any other circumstances considered appropriate by the Agency.

THE ADMINISTRATION OF RECYCLED CAPITAL GRANT FUNDS

19. Registered Providers shall administer Recycled Capital Grant Funds according to the requirements which the Agency may from time to time publish with a view to ensuring, inter alia, that the Recycled Capital Grants Fund is used to support national housing policy objectives, helps to build and maintain sustainable communities and supports regional, sub-regional and local programme priorities. Such requirements will furthermore seek to ensure that the RCGF is easy to operate, transparent, accountable and promotes efficiency.

THE METHOD OF CALCULATING THE AMOUNT OF GRANT RECOVERABLE ON RELEVANT EVENTS

20. The Agency will publish, and may amend from time to time, methods for calculating the amount of Grant recoverable should the Relevant Events at paragraph 7 occur. These methods will take into account, according to the interpretation of the Agency:

(a) for Grant paid in error or in excess of requirements, an intention to recover Grant or excess Grant in full; and

(b) for disposals or other Relevant Events, an intention to recover Grant in full, but with allowance (i) for costs, fees and expenses incurred by the Registered Provider in direct relation to the Relevant Event (ii) for the deferral or reduction of Grant recovered where disposal proceeds are less than the amount recoverable and (iii) for any other circumstances which the Agency may specify in its published procedures and amend from time to time.

21. The Agency may agree a temporary change of use, without Recovery, to one not qualifying in principle for Social Housing Assistance.

22. Where Recovery of Capital Grant calculated in accordance with the provisions of this Determination would place a Registered Provider in financial difficulty, the Agency may at its discretion:

(a) defer the Recovery to a future date, or

(b) accept Recovery by agreed instalments, or

(c) reduce part or all of the Recovery.

INTEREST ON RECOVERY OF CAPITAL GRANT AND ON RECYCLED CAPITAL GRANT FUNDS

23. The Agency may direct a Registered Provider to add interest to an amount of Capital Grant repayable upon a Relevant Event, if there is a failure or delay by the Registered Provider in notification of the Relevant Event to the Agency or in grant repayment, or in other circumstances leading to a potential loss to the Agency. The Agency will publish, and may amend from time to time, details of these circumstances, the rates of interest to be charged, and the mechanism for its application.

24. The Agency requires Registered Providers to add notional interest to the Recycled Capital Grant Fund at rates specified by the Agency which shall not exceed the rates which a Registered Provider might reasonably expect to earn on the deposit of the

cash comprising its Recycled Capital Grant Fund.

25. When the Agency directs repayment of Recoverable Capital Grant placed in a Recycled Capital Grant Fund, it may direct the Registered Provider to calculate and add interest attributable to the amount repaid. The interest shall be calculated according to paragraph 24 above.

THE METHOD OF CALCULATING THE AMOUNT OF UPLIFT AND INTEREST ON RECOVERY OR RECYCLING OF CAPITAL GRANT

26. The Agency may direct a Profit-making Registered Provider to add an Uplift Amount to any amount of Capital Grant Recoverable upon a Relevant Event and such direction may require the Uplift Amount to be repaid to the Agency or placed in the RCGF. The Agency will publish, and may amend from time to time, the method for calculating the Uplift Amount concerned together with the circumstances in which the Uplift Amount will be required to be added.

27. The Agency may direct a Profit-making Registered Provider to add interest to the Uplift Amount, described in paragraph 26, if there is failure or delay by such Profit-making Registered Provider in the notification of the Relevant Event to the Agency or in grant repayment, or in other circumstances leading to potential loss to the Agency. The Agency will publish, and may amend from time to time, details of these circumstances, the rates of interest to be charged, and the mechanism for its application.

THE APPROPRIATE PROPORTION OF CAPITAL GRANT DEEMED TO BE TRANSFERRED BETWEEN REGISTERED PROVIDERS, FOR PURPOSES OF RECOVERY

28. When land or Property on which Capital Grant has been paid becomes vested in, or is leased for a term of years to, or reverts to, another Registered Provider, and a Relevant Event subsequently occurs, this Determination shall apply to the entire Capital Grant paid on the land or Property as if the Capital Grant had been made to that other Registered Provider.

EXPLANATORY NOTES

1. Legislation provides for the Agency to set out, in a statutory determination, the occasions when it will recover capital Grants from Registered Providers and the principles which it will apply to the recovery process.
2. Where this Determination states that the Agency will publish or specify detail this will be done within the ~~Affordable Housing~~ Capital Funding Guide or within the terms of any grant agreement relating to the provision of Capital Grant.
3. This Determination:
 - (a) covers all property or land funded with Housing Association Grant, Social Housing Grant and Social Housing Assistance (paid after the date of this Determination), through the Agency or a Local Authority, from 1974 onwards
 - (b) takes effect without prejudice to the terms of any grant agreement between the Agency and any Registered Provider save that any reference to a particular "Determination" within such agreement shall be deemed to be a reference to:
